

Transitioning into Fall

It's hard to believe but fall is on it's way.

This is a good time to boost the immune system for a strong defense against colds and flu.

Regular massage is one of many ways to support a healthy immune system.

To encourage an opportunity for you to feel the physical and mental benefits of a regular dose of massage therapy, I am committing to a discounted rate

****90 minutes for \$90****

When you sign up for 1 month of weekly massage.

or

****90 minutes for \$95****

When you sign up for 2 months of bi-weekly massage.

Be strong physically and emotionally through the changing seasons and times.

Once you sign up and continue, your rate will not change.
